Resource & Requirements (summary)	2

April 22, 2021

Astoria Development Commission: Chair Bruce Jones, Commissioner Joan Herman, Commissioner Tom Brownson, Commissioner Thomas Hilton, Commissioner Roger Rocka, Budget Committee and Citizens:

The proposed budget for the Astoria Development Commission (Commission) for Fiscal Year (FY) 2021-2022 is ready for your review and consideration. The proposed budget is balanced between resources and requirements. This message summarizes the budget proposals for the Astor East and the Astor West Urban Renewal Districts.

Astor East Urban Renewal District (AEURD)

The AEURD General Fund appropriates the expenditures related to the activity of the district. The beginning fund balance is estimated at \$ 1,541,000. The tax increment is estimated to be \$ 257,000. Revenues include estimated tax increment collections, loan receipts, delinquent tax collections and interest of \$ 7,700.

The major expenditures appropriated in this budget are Professional Services for \$ 276,670 and Improvements Other than Buildings for \$ 1,250,000. Professional Services includes a payment to the City of Astoria for administrative services in the amount of \$ 71,320 which is the same as the previous year. General Professional Services are budgeted at \$ 200,000. The appropriation for Improvements Other than Buildings does not anticipate a specific project and is budgeted to allow the Commission to take advantage of opportunities as they develop throughout the fiscal year.

Astor West Urban Renewal District (AWURD)

The beginning fund balance is estimated at \$ 5,362,000. The Astoria Development Commission (ADC) passed a unanimous motion on April 15, 2021 to terminate taking division of tax revenue for the Astor West Urban Renewal District (URD) starting in FY 2021/2022. Additionally ADC commission approved return of funding provided in excess of the maximum indebtedness for Astor West URD. The return to the County is anticipated to be completed by the end of May.

There is an appropriation of \$ 241,650 for Professional Services, \$ 82,590 of which is a charge to the District for City Administrative Services and is the same as the previous year. Improvements Other than Buildings is appropriated for \$ 5,000,000. The appropriation for Improvements Other than Buildings provides funds for the façade improvement program,

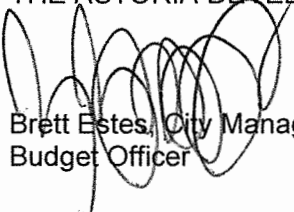

continuing work with the Port of Astoria and other improvements within the district and is budgeted to provide the Commission with the ability to take advantage of other opportunities as they may develop throughout the fiscal year.

CONCLUSION

The proposed budget for FY 2021-2022 for the Astoria Development Commission is now ready for review by the Budget Committee.

Respectfully submitted,

THE ASTORIA DEVELOPMENT COMMISSION

Brett Estes, City Manager
Budget Officer
